From the Senior Principal's desk

Dear Parents, Greetings!

Summer vacation is starting and most of the parents are worried about how to engage their children. There are problems of sending children out. They may fall sick due to heat and there are security and safety risks as children are mostly the victims of both.

Due to the above reasons and various other reasons we do not encourage our children to go out for play or visits. Most of us allow our kids to use gadgets for various purposes like playing games, watching videos, listening to songs, chatting with their friends, browsing different websites without knowing the impact of gadget use. We think that our children are safe at home. We should be aware of digital threats and safeguard our children from that.

The more time children spend on smart phones, tablets and electronic games and other hand-held devices, the more likely they have delays in expressive speech. Children will learn to talk and communicate through interactions with others. This is the way they learn to communicate well. If they are not communicating they are not learning. Every one minute that your child is spending on the screen is one minute fewer that he could speak or learn with others. Screen time is the time your child is spending on screen whether it's TV or any other gadget. Screen time takes away the time of child which he can spend by talking and communicating with other people.

Please, reduce the screen time and seek alternate activities. They may be encouraged to read books, interact with educated people, talented craftsmen, and professionals. By encouraging them in such alternate activities you are improving their communication skills and interpersonal relationships.

One more tip which I would like to give is, please, keep the routine of children as it is during working days. Let them have same wake up time and bed time. No sleeping during day time is to be allowed. This will maintain the biological clock of the children. This will keep them alert and awake after reopening of the school.

Happy Vacation!

Regards.

Jawahar S
Senior Principal.

School life

A school is not built with mortar and stone.
But with love, hard work and dreams alone
My school life began with me crying like mad
Unwilling to let go of my mother's hand.
I found myself all alone,
With complete strangers on unfamiliar ground
A kind face smiled at me,
"Hello, I am your teacher" she said to me.
Little by little things got better,
My friends circle grew, I no longer missed my mother.
Years rolled by, so did the learning and fun.
Everyday a new experience,
Complaints I have none.
In school I learnt to read and write,
To calculate numbers and colour all things bright.
Competitions and camps,
Music lessons and marathon runs,
Library classes are my most favourite under the sun.
My school is my second home,
And I love being here.
Cherished memories and unforgettable moments,
In my heart I hold, that are so dear.

Thaksha Rishi - VIII B

Paradox

One fine day, she got down
From her Mercedes Benz
It was nothing more than
A mere formality,
A public relations campaign,
"Business woman helping the poor"
As she posed for a picture
With the farmer,
Amidst the paddy fields
She saw a little girl
Brown face, black bindi
Scented flowers and plastic bangles.
Walking towards her
Homemade lunch for a small package
In her tiny hands.
The rich lady with bags under her eyes.

The Fork and the Knife

The fork to its wedded knife said,
“Arch enemies, we shall be,
for, we shall stay in this world,
Just to serve as an example
Of how some people just
Cannot get along with each other”.
The knife nodded in agreement.
But, only the spoon realised
How good a pair
The fork and the knife were;
As the knife cut into steak and pies,
None but more,
If the fork refused to stay,
The knife would be meaningless,
And the same applied otherwise.
In their heart of hearts,
The fork and the knife knew the
same,
But, alas,
They had egos to feed,
And insecurities to foster.

Forgive

Cling, bang, boom!
Metal against man,
A blurred mass of faces and limbs,
Sweat, guilt and blood.
Rode the emperor on his regal stallion,
Embellished with gold and jade,
Proud arrogant eyes
As they swept across the battlefield seemed to say,
“Victory is mine”.
Victory ?
Was victory the rising death polls?
Was victory my charred skin?
Was victory my mother’s screams of anguish?
Was victory burning homes?
Was victory the unrelenting raging fire?
Was victory families ripped apart?
Was victory the nefarious euphoria of the king?
Or, like the teacher said,
Was victory, “Peace”?
Agony, all around I see,
“Where is humanity?” I ask,
A vision, distant yet certain,
Of warm fires on cold Christmas evenings,
Of dark chocolate and adoring wives,
Of doorbells and sleighbells,
Of little girls with obsidian eyes
baking cookies and muffins and all things nice,
Of a plethora of brothers,
answers me
once secure in their boundless love and comradeship,
now, unity lost.

Logging into Safety

Ms. Vidushi Daga, the founder of Clone Futura Inc, enlightened us with a workshop on Cyber security. She explained how the netizen community is growing at a huge rate – 68 crore mails and 8 crore Google searches per second. We were astonished to hear that cyber bullying included mean texts, fake profiles, photo shopping pictures, posting fight videos and why, even posting embarrassing pictures of a person without their consent.

The threats of cyber bullying have wider scope than bullying in real life, it is viral, fast and has a wider audience. But Ms. Daga's three point mantra – "ZIP it, BLOCK it, and FLAG it" will help us save the evidence, block the bully, and save us from the dangers this new world holds. We were also asked to ensure that we reported all lottery emails as spam. We came to know about how downloading via torrent can infest our computer with trojans, worms and viruses. At the same time, we were excited to know about Whiz Juniors, a platform for computer and tech – based learning. We couldn't agree more when Ms.Daga mentioned, "We need to embrace technology, but not become it."

In all, this was an amazing seminar – information enriched, yet one that could keep the audience grappled. All of us realized that it is high time we take action.

Annual Day

At 5:30pm, there was energy and excitement in the air. Standing on the side stage with the curtains closed, I could see the four brilliant comperes adjusting their mikes and exchanging nods. All participants were waiting with bated breath for the curtains to rise. December 7, 2018 was the culmination of a month's planning and work. Rigorous practice and scheduled training gave rise to the enjoyable shows staged on the Annual Day.

From the electrifying Totoy dance to the patriotic Tamil skit, from the innovative chess musical to the soulful school song, the show was a feast for the eyes. The highlight of the show was the exceptional dance drama, enjoyed by parents and students alike. Anbu house created history by bagging the Cock house shield for the 3rd time in a row. Listening to the Annual Report gave every student a sense of pride.

On the whole, an eventful and memorable day, rightly quoted by The Principal as "reflection of the school's culture."

Inter house Declamation

“I think when you're blessed with great influences, you need to spread it, just the way you were influenced”. Declamation is the winsome art of delivering power packed speeches or poems which have greatly influenced us. Any declamation contest sways the audience with rolling tears, forceful aggression or just bliss. It furnishes mixed emotions which steal the hearts of the listeners. Such are the speeches of phenomenal personalities brought out on one stage. And our school declamation was no exception. It was held on 4th of January, 2019 shortly after our new year began. The senior level declamation was extraordinary, the judges were overwhelmed and the audience were shifted to another world filled with the power of inspiration. There was a display of every emotion. The powerful words of Oprah Winfrey of how men's reign was 'over' served as an epitome of women empowerment, the famous comedian Charlie Chaplin was out there powering his emotions, The great saint Vivekananda drenching his devotees in piety, J.K. Rowling emotionally outraged sharing her tragic experiences, Severn Suzuki – that young girl with such environmental concern, Steve Jobs speaking passionately about science. To conclude, it was an event that enthralled, inspired and deeply touched each and every one who was present that day.

A Visit to the bank

On December 14, 2018 we, the commerce students of 11th standard were taken to the SBI branch situated opposite to our school. The purpose of the visit was to give us an exposure to the banking functions in a branch. We were 16 students in all and were accompanied by two teachers. The bank manager welcomed us and introduced us to another senior bank official who guided us through the various activities of the bank. He explained to us about the basics of banking. All of us were given a demand draft slip and a cash deposit slip. We learnt how a cheque is scanned and money is transferred between accounts. The following are some interesting topics discussed during the visit:-

1. The resignation of the Governor of the Reserve Bank of India
2. The development of Indian Public Banks
3. Even during Global Recession, how Indian Banks were able to sustain
4. The current scenario of Indian Banking

We thanked the bank officials for spending their valuable time with us enhancing our knowledge. It was indeed a very useful visit.

Field trip to Varichur

January 29, 2019 was an unforgettable day for Class IX students as we went on a field trip to the Jain caves in Varichur. There we first saw the ancient temples of Mauryas, in which the Shivalinga was carved from the matrix of the cave. Then we went on a trek over the hillock. After reaching the other end, we walked upto the Jain caves. There, Mr. P. Rajesh Kanna from Intach Madurai organization gave us an insight on the heritage and culture of Jains. He gave a presentation on all the historic monuments in Madurai. We spent around two hours in Varichur. The trip was very informative and enjoyable. We look forward to more such trips.

Feedback on Field day

An innovative idea to make children learn from real life was scheduled as 'Field Day'. We came up with different themes like Market, Garden, Forest, Hotel and Village. A great and suitable ambience was created. The teachers motivated the parents and children to come up with unique activities in their respective themes. As expected, the extended learning was effective. The effort taken was recognized by parents as well as our management.

Ms. Sorna - Faculty

This year Lakshmi Vidya Sangham conducted an Ad Act contest for class IX as part of the Student Empowerment Programme. I am lucky to have participated in it. We had an amazing time practicing. On 24th January, the contest was organized by Lakshmi Matriculation Higher Secondary School. The leader of each team had to pick a lot and try their luck. We were lucky to get the product “chocolate”. We were given an hour to plan and rehearse for advertising our product, come up with a brand name and write down a jingle. We worked together pretty well. All the schools advertised with great enthusiasm and I was awestruck by almost all the advertisements. A few were very humorous. We did our best but couldn't reach up to everyone else's expectations. Hence, we didn't win a prize. But we learnt a lot and gained an amazing experience. We also made new friends and learnt more about team work. Thus, this whole AD Act experience was a very good one and I am very grateful to our school for making me a part of it.

Talents day

Two weeks of practice, hard work and run through were to be presented on the pleasant morning of 16th February. The art, craft and embroidery exhibits were a visual treat for parents and teachers. They learnt important moves in chess and tasted the various delicacies from the cookery stalls. Everyone assembled at the multipurpose hall and watched a scintillating performance by the students from different classes. I did the compering for this show. It was a grand success. It was appreciated by our Director and all our guests. I would say everyone played a vital role in making this show a grand success. A special thanks to our activity co-ordinator Mr. Manikandan and the activity teachers for helping and guiding us throughout

Reaching out to People

In November 2018, a severe cyclone named Gaja struck the coastal and delta districts of Tamilnadu. The Interact club members of Lakshmi School rolled up our sleeves into instant action to provide quick relief measures for the affected people. Since we had already raised funds for the Kerala floods, we decided to collect clothing items this time. The challenge was to do it within a short span of time. We made a list of the clothing items which we thought was most needed for the victims of the cyclone. We encouraged all students of class VI and above and all teachers to donate new clothing. We had donations pouring in for three days. We were able to contribute over a thousand unused pieces of clothing. The contributions were handed over to the affected people through our school Alumni, Ms. Poorna Parthasarathy.

QC

It was a new experience for us and we had a lot of fun in the process especially as we arranged the classrooms, drew slogans, made charts and pinned them on softboards. All the practice and hardwork that we had put in helped us to give our best during the presentation. Preparing for QC helped us to acquire and sharpen many skills. We learnt to co ordinate and help each other solve problems, do something creative to speak with confidence, to be bold etc. We had a wonderful time solving the problem. We all wished that it would never end, but soon it was time to present our case study and we were very excited about it. We were awarded a shield and a certificate and the pride and excitement was very evident on our faces.

My Life – Table Tennis

I would like to share my experience of winning National medal in table tennis. It is a 6 year journey where I started to play table tennis as my hobby which then turned into a professional career. Throughout my journey my coach Mr. Balaji, my parents and my school were very supportive and guided me for all the events. Only by their motivation, I was able to play at National level and could win bronze medal for Tamilnadu. I am very happy to make my state and school proud.

Farewell

The day of our Farewell February 1, 2019 filled my mind with sweet memories. It marked the glorious culmination of my school life and will remain etched in my mind forever. The farewell ceremony was organized by the teachers and presided by dignitaries from Lakshmi Vidhya Sangham and our school heads. We all came dressed formally in beautiful sarees and suits feeling suddenly grown up and excited about our graduation from School. After the lighting of the lamp and the invocation song, we had a special motivational song by the teachers. We then took the oath holding brightly lit candles, that we would uphold the values which our school taught us and become responsible citizens. Next came the most exciting moment. The teachers announced each student's characteristics on stage and presented us with greeting cards. We were served delicious snacks, few of our friends voiced out their experiences in LS and expressed their gratitude for everything LS has provided us. Our hearts were heavy when we thought

of leaving the School. To lighten things up, games were conducted for us and we had fun.

Thus, our school days ended with the bitter sweet memories of joy and sorrow. I can assure everyone that we will always display the ethics, skills and values we have learnt here, in every future act of ours. It's hard to say good bye to our beloved ones and we are herewith taking along cherished memories which we can treasure forever in our hearts.

My Experience during the Math forum

The topic for our Math forum was 'Architecture'. Everyone was buzzing around to find their partners and of course, their favourite monument. I took my bestie Safeeka as my partner and the Eiffel Tower as my topic. I was intensely happy until I began to search for concepts. And I promise you, it is one complicated monument! It took me days to find the concept itself and then going deep into it.

The practice was hectic. We had help from many teachers including our class teacher Geetha Rani ma'am & Math HOD Sridevi ma'am. I was proud of my class mates who performed their part without any flaw. I could only imagine what my teacher felt. I was last and delivered the vote of thanks. When the forum finally came to an end, we received positive feedback and the appreciation from parents and teachers which was encouraging. I am proud that I was part of this interesting Math forum!

Poetry under the Stars

This year's Poetry under the Stars was held on 16th March 2019. Students from classes VI – XI participated with great enthusiasm. Students recited poems in English, Hindi and Tamil. Poems of various themes like Rain, Animals, School life, Relationships and Fun poems were presented on stage. A few teachers also recited poems written by them. The main objective of the programme was to listen to and appreciate poetry. A few poems were even composed by the students. Overall it was a fun experience which will linger on in my mind for a long time.

I was filled with a sense of nostalgia for my childhood days which I had spent in my native village with my grand parents

The Pongal celebrations held soon after the winter break was filled with festive cheer and traditional fervour. Being a fresher, it was indeed a new and happy experience for me. We had recreated a typical South Indian Village scene as the setting. Various programs like Bullock cart ride, Rooster, Making of Pongal and traditional games like Palymra cart race and Uriadithal were conducted to reflect our rich culture and tradi-

A memorable Visit

The biology students of Class XI got an insight into the modality of health service when we went on a field trip to Vadamalayan Hospitals on the 2nd of February, this year. We were accompanied by our Biology teachers. Vadamalayan hospital is a multispeciality hospital, extending quality health care service to people in and around Madurai for many decades. We had an opportunity to visit the departments of Oncology, blood bank and pediatrics. In the Oncology unit we were explained by specialists about PET, CT Linear accelerators, Brachy therapy and use of radioactive isotopes to treat cancer patients.

We saw high tech instruments and equipments in the blood bank, which collect, separate and store whole blood and blood components. We were next guided to the department of pediatrics where doctors explained how preterm babies are saved and cared for in the Neonatal ICU, with the help of Ventilators, oxygenation and phototherapy. We spent almost two hours in the hospital discussing about various health issues with experts and doctors.

We were struck with awe and admiration at the advances in the medical field and the services offered for the treatment of diseases which we had assumed as incurable. Our visit to Vadamalayan was indeed an enriching experience.

The Inter house Debate

The Inter house debate was held on the 31st January 2019. We the students of VIII class were preparing ourselves to witness a heated and healthy debate session. The topic was relevant and related to today's society, 'Banning plastics can only be accomplished by strict laws'.

All the participants put forth their views with clarity. They gave many valid points and examples to support their topic. Four houses, eight participants, vied with each other. We had Ms.Vidhya, Ms.Sakila and our senior student S.D. Varsha as our esteemed judges. Everything went on well. The most important part of a debate is the rebuttal session. Throwing questions to the opponent

speakers not only kindles the interest of the audience but also keeps the participants on their toes! To our great disappointment, the questioning session was not as expected. Yet it was a great show. In future, let's be prepared to become good debaters by acquiring the art of questioning and refuting.

Declamation

Declamation is an artistic form of public speaking. Every year Declamation is conducted in our School, which is remarkable. It is conducted to improve our vocabulary and confidence. We all took part in Declamation. My friend Krithi Jain was selected for the finals. It was a happy and proud moment when I saw her on stage reciting poetry. She recited very well. Arul house bagged the first place.

Victory

I attended the National Athletics for the 4th time. It was held at Pune in the month of October 2018. I was selected for the 110 m hurdles event and it took a year of training as a professional sprinter. My coach and father were the ones who motivated me and instilled positivity. After participating in several competitions, I learned to be self

Success

I am learning Taekwondo from class IV onwards and have participated in District, State level matches and International Championships at Malaysia.

In October 2018, I had attended CISCE's National Sports & Games at Ahmedabad and won gold medal in Taekwondo. In January 2019, I participated in School Games Federation of India at Nadiad. It was a great experience. The players arrived from all states and union territories and also from Sports Authority of India which gave me a lot of exposure towards the sport. The match was very tough. The prominent moments were the arrival of Asian Gold medalists, the parade of all teams, the speech of the Minister for Sports and the excellent training camp.

I thank the Physical Education department, School Heads and my Taekwondo master for motivating me and having faith in me. I am deeply grateful to my parents who supported me throughout, though my board exams were nearing.

confident and free of fear. After overcoming all the obstacles on my way, I found myself in the finishing line. I knelt down in the track completely overwhelmed by emotions. It was a proud moment for me when I learnt that I was the first athlete from Lakshmi to bag the ASISC Athletic Nationals Gold. Hoping for many such victories in the future!

Home Economics

My mother and I participated in the Home Economics Fiesta which was conducted in Lakshmi School. The first activity was to stitch a button which we did quickly. The second activity was very interesting – “cooking without fire”. The ingredients provided were peanuts, honey, banana, raisins, dates, butter, bread, coco powder, sugar and jaggery. My mother and I made tasty laddus, sweet stuffed bread with butter, raisin and cut pieces of banana. Everyone tasted and appreciated it. My mother and I enjoyed the activity. It was a fantastic experience.

Spell Cricket

Vocabulary is my strength and I love to play with words. The Inter house spell cricket was conducted in the months of November and December 2018 in our school. I won in the Inter class spell cricket. So I was selected in the Anbu house spell cricket team and fortunately I was made, the captain of the team.

Our team and I had put a lot of efforts which made us even stronger. The disadvantage of our team was the batting line up. Only a few batted well but everybody bowled well. The selection of words were interesting and also tricky. We struggled while batting, but we managed to win the game.

The finals took place between Arivu and Anbu house. We were very focused. The batting line up was changed. We lost the toss and Arivu opted to bat. Their score was a paltry 15 runs. We thought we could beat them easily but we also scored 15 runs only. The tie breaker was conducted but unfortunately, we lost in the tie breaker.

Spell cricket not only improves our vocabulary but it also helps us in learning the right pronunciation. If we keep learning the words given in the list systematically we can play healthy matches and enhance our linguistic skills.

A Fun-Filled camp

Soon after completing our final exams of Class XI, we left to Kodaikanal as a part of our IAYP project. We were all excited to be grouped into comfortable hotel rooms of Kodai Retreat. In the evening we donned our chef hats and bustled with dinner preparation. The kitchen was crowded with ambitious cooks. We prepared a feast that began with a groundnut snack and travelled through pulao, carrot halwa, sandwich, sweet chapatti and frankies. The next day morning we had a photo shoot with beautiful pine forest as our backdrop. We then went for a nature walk from the pine forest till pillar rocks taking in all the beauty of flora and fauna that surrounded us. This is something that cannot be experienced in a bustling city and we enjoyed every moment of it. Later we went cycling around the lake of Kodaikanal, a prominent tourist spot. Then we bought mementos for friends and family from the shops surrounding the lake. After the sunset, we were keen in the preparation for camp fire. The warmth of the fire provided us with the energy to participate in activities such as dance and singing. The next day morning we departed from Kodaikanal, but our hearts still linger on the glorious experience we had with our friends.

QC My Experience

February 23rd is a very important day in my life as we had the Inter TVS School QC convention in our school. I feel Quality circle is the best part of eighth standard. QC was a five month project with a lot of hard work, enthusiasm and expectations. The projects this year were different from our projects in the fifth grade.

We had to make a power point presentation on our project, which was challenging. The tireless practice session from the morning to the evening just to present it well had borne fruits. We won the second place in the finals. A proud moment for our facilitator and for us. I am grateful to my school, my facilitator and my team members.

இயற்றமிழ் விழா - 2018

இந்த ஆண்டு தமிழ்த்துறையின் இயற்றமிழ் விழா 18.12.2018 ஆம் நாள் காலையில் நடைபெற்றது. சிறப்பு விருந்தினராக மதுரை வானொலி நிலையத்தின் முன்னாள் இயக்குநர் முனைவர் இளசை சுந்தரம் அவர்கள் வந்திருந்தார். ஏழாம், எட்டாம் வகுப்பு மாணவர்கள் பார்வையாளர்களாக இருந்தோம்.

மாணவியர் குழு தமிழின் பெருமையை வெளிப்படுத்தும் வகையில் நடனமாடினர். அனைவரும் தமிழில் பேசவேண்டும் என்பதை வலியுறுத்தி, பத்து மாணவர்கள் இணைந்து ஒரு நாடகத்தை நடத்தினர்.

சிறப்பு விருந்தினர் தன்னுடைய சிறப்புரையில், “வேலை செய்வதற்கு மட்டும்தான் ஆங்கிலம் தேவை. மற்றபடி நம் வாழ்வில் முக்கியமான மொழி தமிழ்தான்” என்று கூறினார். அவர் அனைவரையும் தமிழில் பேசும் படி ஊக்கப்படுத்தினார். தமிழகத்தில் எவ்வளவு மக்கள் தமிழ்மொழிக்கு முக்கியத்துவம் கொடுக்கிறார்கள் என்பதை எங்களுக்குப் புரியவைத்தார்.

தமிழாசிரியர் திரு. கபிலரசன் அவர்கள் எழுதிய “மேடையில் நில்-சொல்-வெல்” என்ற புத்தகத்தை டி.வி.எஸ். பள்ளிகளின் இயக்குநர் ஐயா அவர்கள் வெளியிட்டார்.

விழாவில் பல்வேறு போட்டிகளில் வெற்றிபெற்ற மாணவ-மாணவியருக்குப் பரிசும் சான்றிதழும் வழங்கப்பட்டன.

மதுரை வானொலி - 'பட்டாம்பூச்சிகள்' நிகழ்ச்சி

எட்டாம் வகுப்பு பயிலும் பதினொரு மாணவர்களுக்கு மதுரை வானொலியில் ஒலிபரப்பாகும் 'பட்டாம்பூச்சிகள்' நிகழ்ச்சியில் பங்குபெறும் அரிய வாய்ப்புக் கிடைத்தது.

தமிழாசிரியர்கள் எங்களுக்குத் தோட்டம், தேர்வுக்காலம், கைப்பேசியின் நன்மைகளும் தீமைகளும், நெகிழிகளை ஒழிப்பது எப்படி?, அன்பு, பாரம்பரிய உணவுமுறைகள் போன்ற தலைப்புகளை வடிங்கி, அவை தொடர்பாகக் குறுங்கட்டுரைகளை எழுதிவருமாறு கூறினர். சில குட்டிக்கதைகளையும் சில கவிதைகளையும் எழுதுமாறும் எங்களை ஊக்குவித்தனர்.

நாங்கள் அத்தலைப்புகள் தொடர்பாகச் செய்திகளைச் சேகரித்து, கட்டுரையாக எழுதிப் பார்த்தோம். அவற்றைத் தமிழாசிரியர்கள் செம்மைசெய்து தந்தனர். நாங்கள் அவற்றைப் பேசிப் பார்த்தோம். தமிழாசிரியர்களிடம் பேசிக் காட்டினோம். அவர்கள் எங்களின் உச்சரிப்பினைச் சரிசெய்து, வானொலியில் எப்படிப் பேசவேண்டும் என்பது குறித்துப் பயிற்சி அளித்தனர்.

26.02.2019ஆம் நாள் காலை பத்து மணிக்கு மதுரை வானொலி நிலையத்துக்குச் சென்றோம். அங்குச் சென்று, 'காத்திருப்போர் அறை'யில் நாங்கள் மீண்டும் பயிற்சியை மேற்கொண்டோம். சிறிது நேரத்தில் நாங்கள் ஒலிப்பதிவு அறைக்கு வருமாறு அழைக்கப்பட்டோம். மனத்தில் நடுக்கம் ஏற்பட்டது. தமிழாசிரியர் எங்களுக்கு மனஊக்கத்தை அளித்தார். ஒவ்வொருவராக, தன்னம்பிக்கையோடு வானொலியில் பேசினோம். இது எங்களுக்குப் புதுவிதமான அனுபவமாக இருந்தது. நாங்கள் மிகவும் மகிழ்ச்சியோடும் பெருமையோடும் திரும்பி வந்தோம்.

இந்த நிகழ்ச்சியின் பங்கேற்றதன் வழியாகச் செய்தி ஒலிபரப்பு ஊகடத்தில் பேசும் வாய்ப்பினை நாங்கள் எங்கள் வாழ்நாளில் முதல்முறையாகப் பெற்றோம். அதற்காக நாங்கள் தமிழாசிரியர்களுக்கும் பள்ளிக்கும் நன்றியைத் தெரிவித்துக் கொள்கிறோம்.

சிறப்புப் பட்டிமன்றம்

11.03.2019ஆம் நாள் எட்டாம் வகுப்பு மாணவர்கள் இணைந்து நடத்திய சிறப்புப் பட்டிமன்றம், எங்கள் நண்பர்களின் பேச்சுத்திறனை வெளிப்படுத்துவதற்கு மற்றுமொரு சிறப்பான வாய்ப்பாக அமைந்தது. சிறப்புப் பட்டிமன்றத்தின் தலைப்பு “இன்றைய சூழலில் தேர்வுகள் வேண்டாம்! வேண்டும்!” என்பதாகும். நடுவராக எங்கள் அன்புத் தோழி நிர்பவா அமர்ந்திருந்தார்.

‘தேர்வுகள் வேண்டாம்’ என்ற அணியில் நிது கிருஷ்ணா, கீர்த்தனா, வெங்கட் சுப்ரமணி, நிதிஷ்குமார் ஆகியோரும் ‘தேர்வுகள் வேண்டும்’ என்ற அணியில் மகிமா சிவசரி, யஷ்வந்திகா, ரியா, ஹரிஷ ஆகியோரும் பேசினர்.

‘தேர்வுகள் வேண்டாம்’ என்ற அணியில் பேசிய மகிமா சிவசரி, “நாம் கற்றதை மறக்காமல் மீண்டும் நினைவு கூர்வதற்கும் கவனமாகப் புரிந்து படிப்பதற்கும் கற்பனைத் திறனை வளர்ப்பதற்கும் விரிவான வாசிப்புப் பயிற்சிக்கும் தேர்வுகள் தேவை” என்றார்.

இதற்கு மறுப்புத் தெரிவித்த நிது கிருஷ்ணா, “மாணவர்களிடம் தேர்வு முடிந்த பின்னர் அவர்கள் எழுதிய தேர்விலிருந்து எவையேனும் கேள்விகளைக் கேட்டுப் பாருங்கள். அவர்கள் அதை மறந்திருப்பதை உணர்வீர்கள். தேர்வுக்காக அவர்கள் மனப்பாடம் செய்வதால் இது நேர்கிறது. ‘தேர்வு’ என்பதால், அதில் போட்டி மனப்பான்மை குடிகொள்கிறது. குறைவான மதிப்பெண்ணைப் பெறும்போது மன அழுத்தம் ஏற்பட்டுத் தாழ்வுமனப்பான்மைக்கு ஆளாகின்றனர்” என்று குறிப்பிட்டார்.

அடுத்து பேசுவந்த யஷ்வந்திகா, “புரிந்து படித்துத் தேர்வை எழுதினால் என்றைக்கும் படித்தது மறக்காது” என்று கூறி, “வாழ்க்கையே ஒரு தேர்வுதானே! தேர்வு நம் முன்னேற்றத்துக்கு உதவும்” என்று தன் தரப்பு வாதத்தை முன்வைத்தார்.

இதற்கு மறுப்புத் தெரிவித்த வெங்கட் சுப்ரமணி, “பெற்றோர் தேர்வை முன்னிட்டு மாணவர்களை பல மணிநேரம் படிக்கவைக்க முயற்சி செய்கின்றனர். இதனால் மாணவர்களின் மனநிலை பாதிக்கப்படுகிறது. படித்துத்தான் சாதிக்க வேண்டும் என்பதில்லையே! வேறு எவ்வளவோ வழிகளிலும் சாதிக்கலாமே!” என்று தன் கருத்துத் தெரிவித்தார்.

அடுத்து பேசிய ரியா, “ஒரு பாடத்தை நன்கு ஆராய்ந்து படிக்க தேர்வு என்ற அழுத்தம் தேவைதான்” என்று குறிப்பிட்டார். இவருக்கு மறுப்புத் தெரிவிக்க வந்த கீர்த்தனா, “அந்தக் காலத்தில் குருகுல முறைக் கல்வி இருந்தது. அவர்கள் யாரும் தேர்வுகளை நடத்தவில்லையே. வால்மீகியும் கம்பரும் எந்தத் தேர்வை எழுதித் தம் திறமையை வெளிப்படுத்தினர்?” என்று கேள்வி எழுப்பினார்.

அடுத்து பேசுவந்த ஹரிஷ, “தேர்வில் மிகுதியான மதிப்பெண் பெற்றால் மகிழ்ச்சியான வாழ்வை வாழ முடியும். ‘தேர்வு’ என்ற ஒன்று இருந்தால்தான் படிப்பதில் ஆர்வமும் கூடுதல் கவனமும் ஏற்படும்” என்றார். இவருக்கு மறுப்புத் தெரிவிக்க வந்த நிதிஷ்குமார், “தேர்வில் குறைந்த மதிப்பெண்ணைப் பெற்றுவிட்டால் பெற்றோர் கண்டிப்பர் என்று நினைத்து, தேர்வில் வெற்றிபெற குறுக்கு வழிகளை மேற்கொள்வர். அதனால்தான் கூறுகிறேன் தேர்வே தேவையில்லை என்று” எனக் கூறினார்.

இருதரப்பு வாதங்களையும் கேட்ட நடுவர், “மாணவர்களின் மதிநுட்பத்தைச் சோதித்து, அவர்களின் கல்வியடைவை அறியும் வகையில் புதுமையான முறையில் தேர்வுகள் நடத்தப்பட வேண்டும். அத்தகைய தேர்வுகளை நாம் வரவேற்கவேண்டும்” என்று தீர்ப்பளித்தார்.

லக்ஷ்மி வித்யா சங்கம் தமிழ் நாடகப் போட்டியில் என் அனுபவங்கள்

லக்ஷ்மி வித்யா சங்கத்தின் சார்பில் மாணவர் முதன்மையர் குழு நடத்திய தமிழ் நாடகப் போட்டி 20.11.2018 ஆம் நாள் நடைபெற்றது. அதில் டி.வி.எஸ் நிறுவனத்தைச் சார்ந்த ஐந்து பள்ளிகளிலிருந்தும் ஆறாம் வகுப்பு பயிலும் மாணவர்கள் பங்கேற்றனர். அதில் நானும் ஒரு மாணவி. அந்த நாடகப் போட்டியில் நான் பெற்ற அனுபவங்களை உங்களோடு பகிர்ந்துகொள்கிறேன்.

எனக்குக் கிடைத்த வாய்ப்பினை முறையாகப் பயன்படுத்திக்கொள்ள விரும்பினேன். அருமையான கதையுடன் ஆர்வமாகப் பயிற்சி எடுத்தேன். எனக்குப் பூனை வேடம் கிடைத்தது. ஒரு நிமிடத்தையும் வீணாக்காமல் நடிப்புப் பயிற்சியை மேற்கொண்டேன். ஏறத்தாழ மூன்று வாரங்கள் பயிற்சிபுரிந்தோம். எங்கள் குழுவினரின் நாடக ஒத்திகையை ஆசிரியர்கள் பலரும் பார்த்துப் பாராட்டினர்.

ஒருவழியாக நாங்கள் எதிர்பார்த்திருந்த நாளும் வந்தது. நாடகப்போட்டி டி.வி.எஸ். மெட்ரிக் மேல்நிலைப் பள்ளியில் நடைபெற்றது. நான் அப் பள்ளிக்குள் நுழையும் போதே சற்றுத் தடுமாற்றத்தில் இருந்தேன். அந்தப் பள்ளி வளாகத்தின் அழகினைப் பார்த்து வியந்தேன். மரம், செடி, கொடி என அப்பள்ளி பசுமையாக இருந்தது. அங்குப் பெரிய மைதானமும் இருந்தது. அரங்கு மிகப் பெரியதாக இருந்தது.

எங்கள் குழுவினரை அவர்கள் மிகவும் சிறப்பாக வரவேற்றனர். நாங்கள் ஒப்பனை செய்துகொள்வதற்குத் தனி அறையை வழங்கினார்கள். என் உடம்பு அச்சத்தால் நடுங்கியது. நாடகப் போட்டி தொடங்கியது. எங்கள் குழு இரண்டாவதாக அரங்கேறியது.

நீதிபதிகள் எங்கள் நாடகத்தைப் பார்க்க ஆர்வத்துடன் இருப்பதாகத் தெரிந்தது. நான் என்னுடைய முதல் வசனத்தைப் பேசும்போது, என் குரல் அவர்களுக்குக் கேட்கிறது என்பதை அறிந்து, நான் மகிழ்ந்தேன். எங்கள் குழுவினர் சிறப்பாக நடித்தனர்.

அடுத்தடுத்த குழுவினர் அரங்கேறினர். மதிய உணவுக்குப் பின்னர் நீதிபதிகள் போட்டி முடிவினை அறிவித்தனர். நாங்கள் ஆர்வத்துடன் காத்திருந்தோம். எங்கள் குழு இரண்டாவது பரிசினை வென்றிருப்பதாக அவர்கள் அறிவித்தனர். நாங்கள் மகிழ்ந்தோம். பரிசினைப் பெற்றோம்.

எங்கள் குழுவினரின் வெற்றிக்குக் காரணம் எங்களின் ஆசிரியர்களும் நண்பர்களும் தான். வீட்டுக்குச் சென்றபின் எங்கள் குழு பெற்ற வெற்றியை என் அப்பா, அம்மாவிடம் கூறினேன். அவர்களும் மகிழ்ந்தனர். மிகக் குறைந்த கால எல்லையில் நாங்கள் நடிப்புப் பயிற்சியைப் பெற்று, பரிசினை வென்று, பள்ளிக்குப் பெருமை சேர்த்தோம்.

मेरा पहला अनुभव

जब मैं पहली बार लक्ष्मी स्कूल में आया था तब मैं बहुत खुश था। मैंने कई दोस्त पहले दिन में ही बना लिए थे। सभी दोस्तों ने मुझे पूरा स्कूल घुमाया। मुझे हर चीज के बारे में अच्छी तरह से समझाया। यहाँ सभी लोग सिर्फ अंग्रेजी में बात करते हैं यह बात मुझे बहुत अच्छा लगा। मुझे लगता है कि मदुरै का सबसे बड़ा और अच्छा विद्यालय यह है। मुझे यह विद्यालय बहुत पसंद है।

दोस्त

दोस्तों की कीमत बताई नहीं जा सकती मुसीबत में देते हैं हमें वो शक्ति दोस्त देते हैं हमारा साथ हर दम दोस्त की कीमत उनसे पूछो जिसके पास दोस्त न हो दोस्त सुधारते हैं हमारी गलती वो लडना - झगडना और दौडना - पकडना हँसते - खिलखिलाते हम है रहते गंगा की जैसे हम साथ है बहते दोस्ती है हमारी जैसे किताब के पन्ने किससे है हमारी यादगार और पुराने कभी यह दोस्ती ना तोड़ेंगे हम एक साथ लेते हैं हम यह कसम।

मेरे आदर्श पिताजी

मेरा आदर्श व्यक्ति मेरे साथ मेरे घर के चार दीवारों के अंदर रहते हैं। वे और कोई नहीं मेरे पिता हैं। भगवान का दिया हुआ सबसे कीमती तोहफा है मेरे पिता। उनके जैसे बनना ही मेरी सबसे बड़ी इच्छा है वे ही मेरे हीरो हैं। वो मुझे अपने जीवन के सभी संघर्ष और सफलताओं के बारे में बताते हैं। वे ही मेरे मार्गदर्शक हैं। उन्होंने ही मुझे सच्चाई का साथ देने का महत्वपूर्ण सीख सिखाया है। मेरे दादाजी की इच्छा थी कि उनके बच्चे बहुत अच्छे से पढ़ें और घर का नाम रोशन करें, मैं भी उनके राह पर चलना चाहती हूँ। मेरे कई सपने हैं मगर यह सब तभी पूरे होंगे जब मैं अपने पिता के तरह बनूँगी। मुझे वो दिन का इंतजार है जिस दिन पूरे समाज कहेंगे 'जैसे बाप वैसे बेटी' और मेरे पिताजी के ये शब्द 'बेटी! मुझे तुम पर नाज है'। ये दिन भी दूर नहीं है।

हस्तलेखन और स्पेल बी प्रतियोगिता

इन दोनों प्रतियोगिता ने मेरी जिंदगी बदल दी। इस प्रतियोगिता ने मेरी आलस को मिटाकर मुझे परिश्रमी बना दिया। पहले जब मैं हस्तलेखन लिखा तो मैं बहुत परेशान था। परंतु जब मैंने लिखना शुरू किया तब मेरा भय चला गया। मेरा अनुभव ने ही मुझे निडर बनाया। जिन्होंने मुझे प्रोत्साहन दिया वो है हमारी अद्यापिकाणी। इन्होंने ही हमारा आत्मविश्वास बढ़ाया। तमिलनाडु के हिन्दी प्रचार सभा को भी मैं धन्यावाद कहना चाहता हूँ। इन प्रतियोगिताओं ने मेरे शब्द-संपदा और हस्तलेखन को बहतर किया।

प्रतियोगिता

हस्तलेखन और स्पेल - बी हिन्दी प्रचार सभा के इन प्रतियोगिताओं के लिए तैयारी करने का हमारा अनुभव बहुत स्मरणीय और मजेदार था। उसे पढ़ने में मुझे थोड़ी मुश्किल तो हुई पर मैंने पूरी निष्ठा और उत्साह से भाग लिया। मुझे सारी मात्रा और स्वरों का पूर्ण ज्ञान हुआ। हमारी अद्यापिका ने हम बच्चों का पूरा सहयोग दिया उसे समझने में! मुझे प्रतियोगिता में उत्तिर्ण होने से भी ज्यादा इसमें अपने अनुभव के बारे में सोचकर उल्लास हुआ।

मित्रता और दोस्ती

हमारे जीवन में हम कई रिश्तों से सम्मिलित होते हैं। उनमें से एक है दोस्ती। दोस्ती जीवन की सबसे कीमती उपहारों में से एक है। एक व्यक्ति जिसकी जिंदगी में सच्चे दोस्त हैं वह भाग्यशाली है। एक दोस्त के साथ अँधेरे में चलना अकेले रोशनी में चलने से बेहतर है। सब अपने-अपने जीवन में कुछ मित्रों को साथ रखते हैं। शायद एक या दो कई मित्र भी हो सकते हैं। अगर हम सच्चे मित्र को चुनते हैं तो वह हमेशा हमारा साथ देता है। अगर हम बुरे मित्र को चुनते हैं तो, वह कुछ बुरा करके हमें भी उसमें फँसा देता है। इसलिए मित्र को चुनने समय बहुत सावधान होना चाहिए। दोस्ती महान है। अपने विचार और किस्से दोस्त के साथ बाँटना बहुत आवश्यक है। 'दोस्ती के बिना जीवन, खिडकी के बिना घर है'!

Digital Literacy which leads to Digital Citizenship

Is it safe to upload photos in Social networks?

YES: Posting photos enables your relatives to view them at any time. It helps spread happiness. It makes commercial marketing and advertising easier.

NO: Anyone can check where the photo was taken and stalkers would get to know where you are currently. Kunal V Hinduja – XI B

Do Gandhian principles work in Digital Citizenship?

YES: In digital world where no dark corner is left unaffected by cybercrime, the Gandhian principles of truth and non violence come into play not only as a means of prevention, but also as a tool of damage control.

NO: In this dynamic digital framework Gandhian principles are neither applicable nor practically relevant to the extent of effecting any substantial amount of change

R.Anjali Bathra- XI C

Has technology made the world a better place to live?

YES: Every medical breakthrough is taking us one step towards defying death. Expanded computer network has shortened distance and united us in one global village.

NO: Social Media our symbol of social standing is a certified invasion of our privacy. Ask yourself, how safe is our alarmingly rising dependence on Artificial intelligence and machines? Are we not heading towards a mass AI invasion? Smriti – XI A

Is dependency on whatsapp to share class notes good?

YES: If students are on leave ,it helps them to copy the notes. It is good to have a soft copy incase notes get damaged.

NO: Students tend to become complacent in class and don't take notes relying on social media. They don't cultivate the habit of writing and may indulge in over usage of social media. S.Anirudh Kumar –XI A

Is it smart to keep all your data in cloud?

YES:Cloud acts as a good source of backup, if anything happens to the system or phone ,it is easy to their data stored on the cloud due to ease of access.

NO: Data stored in cloud can easily be hacked. Prajwal Sundar- XI A

Are Social Networking Sites killing E-mail ?

YES: Social media has more advantages than email. One can post a photos from somewhere to let several people know it rather than send it to several people. Social media is also a faster method of information transfer because more people are shifting to it.

NO:Many people still prefer E-mail for all kinds of format or legal communication. Email is also more safer and secure when compared to the more vulnerable social media.
